

## Alexandria Gazette

MONDAY EVENING, APRIL 9, 1906.

## Local Matters.

## Sun and Tide Table.

Sun rises tomorrow at 5:20 a. m. and sets at 6:33 p. m. High water at 8:10 a. m. and 8:38 p. m.

## Weather Probabilities.

For this section rain and warmer tonight. Tuesday fair, cooler; increasing southerly winds, becoming northwesterly and brisk to high.

## Palm Sunday.

Palm Sunday, one of the most solemn feasts of the church year, was celebrated yesterday. It is the day commemorating the triumphal entry of Christ into Jerusalem, when for the first time he was proclaimed king, and when the inhabitants of the city went forth to meet him waving palms and strewing his way with palm branches. The day was fittingly observed in the Catholic, Episcopal and Lutheran churches yesterday. The weather was fair. The sun at times was overcast by clouds, but when it did shine it had an agreeable warmth, and a light breeze from the southward produced a condition that made walking a pleasure.

At St. Mary's church palms were given out, and the churchgoers that followed their way homeward after service bore them either in their hands or pinned to their clothes, making a pretty picture as they walked along.

In most of the churches there was special music, and in all of them the sermons were on appropriate subjects. "The Palm" was sung in several of the churches.

As the churchgoers walked to and from the churches, promenading along the principal thoroughfares of the city, the streets presented an animated scene. Many spring clothes and hats were in evidence.

## M. E. Church South

Large congregations attended the morning and night services in the M. E. Church South, which were conducted by Rev. J. P. Stump, who completed his term of four years as pastor of that church. He delivered two fine sermons, which were listened to attentively. Mr. Stump, accompanied by his family, will leave tomorrow for Luray, his new charge. Rev. Charles D. Bulla, who will succeed Mr. Stump, is expected to arrive here this week.

Rev. Mr. Bulla preached his farewell sermon last night at St. Braddock Street Church, of Winchester, where he has been pastor for four years. An unusually large congregation attended. The church there has progressed rapidly during his pastorate, and a \$10,000 Sunday-school building, the first of its kind in the Baltimore Conference, was erected. Rev. Mr. Bulla was presented with a purse containing over \$50 in gold on behalf of the citizens by President Edder, W. H. D. Harper, Rev. D. H. Kern, formerly pastor of the church in Alexandria, will succeed Mr. Bulla in Winchester.

## T. P. A.

A meeting of Alexandria Post, Travelers' Protective Association, was held Saturday night, at which the following officers were elected: President T. C. Howard, Vice President, H. K. Field; secretary and treasurer, Harry Hammond; chaplain, Rev. Edgar Carpenter; post surgeon and physician, Dr. W. M. Smith. The following were appointed chairmen of committees: Railroads, A. D. Brockett; legislation, C. B. Marshall; press, O. H. Kirk; hotels, Raymond Hulsh; employment, W. A. Smoot, jr. The following were elected delegates to the State Convention T. P. A., which meets in Richmond May 11: E. P. Taylor, R. F. Downham, C. B. Marshall, F. J. Paul, H. K. Field, W. W. Ballenger, A. H. Thomson, jr., Raymond Hulsh, Geo. W. Hulsh, Walter Rogers, O. H. Kirk, and J. H. Trimyer. The following composed the board: H. Kirk, jr., Walter Rogers, R. F. Downham, W. A. Smoot, jr., A. H. Thomson, jr., and J. W. Hammond.

## Fined Ten Dollars Each.

Considerable excitement was caused shortly after 12 o'clock last Saturday night by screams from a house in the extreme northern section of the city, and when the police made an investigation they discovered that a fight had occurred between Ernest Hall and George Baker. Officers Lyles, Garvey, Bell and Mayhugh arrested the parties and they were arraigned in the Police Court this morning. Hall in his statement said Baker attacked him for making a pleasant remark by which an offense was intended, but Baker alleged that Hall had made insolent observations concerning him. Justice Caton fined the parties \$10 each.

## Fined for Playing With a Knife.

William Moore, colored, was arrested yesterday by Officers Bell and Mayhugh charged with assaulting Rose Johnson, also colored, with a knife. The woman was out on the side and had to seek surgical aid. This morning she appeared at the station house and when placed on the stand acknowledged that Moore cut her, but alleged that the injury she received was accidental. Justice Caton, as a warning to others who may be tempted to play with knives, fined Moore \$10.

## Anniversary of Surrender.

Today is the 41st anniversary of the surrender by General Robert E. Lee of the Army of Northern Virginia. Alexandria was the scene of considerable extravagant hilarity that day on the part of federal soldiers and those hostile to the Southern Confederacy. All the bells on fire engines houses were rung during the greater portion of the day, one having been cracked on the occasion.

## Police Commissioners.

An adjourned meeting of the Board of Police Commissioners will be held tonight for the purpose of formulating plans by which the efficiency of the police force can be increased. As has been stated, Mayor Palf at a meeting last Friday night suggested certain changes in the working of the force, and it is said to be the intention of the commissioners to bring about a new regime.

## Address Tonight.

Mr. Clarence E. Fowler, of Washington, will deliver an address in the hall over the Alexandria National Bank tonight at 7:45 o'clock. He will deal with the prophetic portion of the Bible, and endeavor to interest his hearers in some of the forecasts set forth in the scriptures.

## Police Court.

[Justice H. B. Caton presiding.] The following cases were disposed of this morning:

James Washington, colored, arrested by Officer Lyles charged with drunken and disorderly conduct, forfeited his collateral by failing to appear.

George Wood, colored, arrested by Officers Arrington and Young for being drunk in the street, was dismissed.

A white man, arrested by Officers G. H. Mayhugh and Bell charged with a similar offense, was dismissed.

Ernest Hall and George Baker, arrested by Officers Lyles, Garvey, Bell and Mayhugh charged with disorderly conduct and fighting, were fined \$10 each.

William Moore, colored, arrested by Officers Bell and Mayhugh with assaulting and disorderly conduct, forfeited his collateral by failing to appear.

Clarence Anderson and Carrie Evans, both colored, arrested by Officer Beach charged with disorderly conduct and fighting, were fined \$5 each.

Kemp Beach, arrested by Officer Jones charged with being drunk, was dismissed.

Mary Proctor, colored, arrested by Officer Smith charged with disorderly conduct, was dismissed.

## Corporation Court.

[Judge L. C. Bailey presiding.]

The docket was called and cases set for hearing:

Commonwealth vs. Clarence Hanson and Hildreth Bush for breaking and entering the store of Mr. B. Abramson; pleas of guilty and each given four years in the penitentiary.

Rule against City Council was continued until next term of court.

The Consolidated Quarry Co. vs. James McQueen; dismissed agreed.

## Personal.

Rev. J. H. S. Ewell, of this city, was elected one of the secretaries of the M. P. Church Conference now in session in West Baltimore.

Councilman J. Y. Williams has gone to Atlantic City, where he hopes to regain his health.

Judge J. K. M. Norton is in Danville on legal business.

Mr. A. D. Brockett left yesterday for Atlantic City.

Mr. Thomas Monroe Elliott has issued invitations to the wedding of his daughter, Mary Hunter, and Mr. Frederick Lemuel Bucklew, of Jamesburg, N. J., to take place Saturday evening, April 28, at St. Margaret's Church, Washington. Among the bridesmaids will be Miss Emily Elliott, of this city, a cousin of the bride.

## Case Continued.

In the Corporation Court today the matter of the rule against the Mayor and City Council for them to cause why the city jail should not be enlarged and put in better condition for the accommodation of prisoners came up. Mr. S. G. Brent appeared for the State and City Attorney S. P. Fisher for the city. The latter moved for a continuance of the case generally, but this was contested by Mr. Brent, who held that the matter had been before the court for some time and action should be taken. Judge Bailey then entered an order requiring the Mayor and City Council to file an answer on the first day of the May term.

## Runaway.

About 11 o'clock yesterday morning a horse attached to a buggy in which were two colored men took flight at a boy carrying a bundle, and made a sudden turn at the corner of Columbus and Cameron streets, overturning the buggy, and throwing the occupants to the ground, one of whom received several cuts on the head, and one under the eye. The driver, Geo. Green's, pre-ence of mind and nerve in holding the reins with the buggy resting upside down upon him prevented further damage.

## St. Paul's Church.

During the past few months the congregation of St. Paul's Church has attended services in the parish hall on account of extensive repairs that were in progress in the church proper. These improvements which include a new chancel and a handsome pipe organ, that will occupy an alcove in the chancel, have practically been completed, and the Easter services will be held in the church next Sunday. The improvements in the church will, it is said, cost about \$10,000.

## Assaulted His Wife.

John Jackson, a colored man, feloniously assaulted his wife near Mount Vernon yesterday. Mr. Moore, who lives in the neighborhood, last night telephoned to Lieutenant Smith to look out for Jackson, who, it is believed, came toward this city. Officers boarded several north bound electric trains, but were unable to find the object of their search. It is said that one of the woman's eyes was knocked out. Jackson was recently arrested by Constable A. J. Payne, of Fairfax, for an offense.

## Jewish Passover.

The Israelites of this city will assemble in their synagogue on north Washington street at 7:30 o'clock tonight for the purpose of conducting services appropriate to the Passover service. Services will also be held in the Synagogue next Sunday night at the same hour.

## Death of Mrs. Igoe.

Mrs. Elizabeth Igoe, wife of Mr. M. Igoe, died at her home southwest corner of Duke and Patrick streets, at 11:10 o'clock this morning. The deceased leaves several children.

## Explosion on a Launch.

The alarm of fire which was sounded between eleven and twelve o'clock today was caused by the explosion of a gasoline tank on a launch at the shipyard. The boat was seriously damaged before the flames were subdued. Two men were engaged in filling the tank when the explosion occurred. One of them was painfully burned on the arms.

## LOCAL BRIEFS.

The regular meeting of the Elks will be held tonight.

Mrs. Edward P. Robinson in stepping from an electric train at King and Fayette streets yesterday evening fell and was painfully injured.

Mr. Harvey Allen, while hastening to the fire, shortly before noon today, fell at King and Washington streets and sprained one of his ankles.

Victor Edgworth was arrested this afternoon by Officer Roberts charged with throwing a beer bottle in a saloon in the southern section of the city.

Rain began to fall at the close of yesterday and continued at intervals during the night. There have at times been heavy downpours during the today.

Cars of the electric railway run on the new parallel tracks to the new bridge across the Potomac yesterday. Heretofore north bound trains have used a temporary track some distance east of the tracks used by south bound trains.

The receipts of fresh fish show a slight increase. But few, however, have so far been caught in fresh water. A vessel, carrying fish arrived at Fishtown yesterday from Washington.

The report of the Maryland Society of Colonel James shows that a donation was made during the year to the society for the Catholic Home in this city.

It is said that the Virginia Glass Company's plant in West End, which has been idle for nearly two years, or since it was rebuilt after the fire, will soon be in operation again.

In their second game this season, the Episcopal High School team, of Alexandria, was defeated by Locustdale Academy Saturday by a score of 8 to 7.

The early church services this morning were not very largely attended, the rain interfering.
